President's Message

2019-2020

Rotary Connects the World

September 2019

President's Message

Summer is winding down, but the Lake Shore-Severna Park Rotary club is revving up! We have already had a rewarding crab feast fundraiser, but now we give back to the young families of Pasadena at the Family Fun Day on September 14th. Let's help Cheryl and her committee with giveaways and donations to make this a great event!

This month our theme is Basic Education and Literacy Month. Our focus this Rotary year is education at all levels. We have already approached the Boys and Girls club to understand where we can be of service. We are working with the principals at Chesapeake and Severna Park high schools to assist their students in academics and community service. Students are our future. Let's show them how meaningful it is to serve the community and make a difference with their peers and communities in the most positive way.

This fall is going to be busy with Gazetteer distribution to 3rd graders too! More opportunities to serve in the future. Let's make it happen!

**Yours in Rotary Service,
Rotary Connects the World
John S Clark**

RCLS-SP Monthly Highlights

Club Meeting and Events

September

- 3 – Club Night & Board meeting – 5:30pm – at the Y
- 11 - Salvation Army @ Glen Burnie at 11:00am/
Bella Napoli – 6:00pm – Cisco Nochera, Cisco Center
- 15 – Family Fun Day at the “Y” – 10:00am – 1:00pm
- 25 – Bella Napoli - 6:00pm
- 26 - Social Hour @ Founders Tavern & Grill at 5:00pm

This past month we celebrated the birthday of Michael Carter!

Picture was taken at the social hour (January 2019)!

August 14 – Patty Dash at Bella Napoli

Our Guest speaker for tonight was Patty Dash, Executive director of the National Kidney Foundation. The National Kidney Foundation is the leading organization in the U.S. dedicated to the awareness, prevention and treatment of kidney disease for hundreds of thousands of healthcare professionals, millions of patients and their families, and tens of millions of Americans at risk.

The guests of Salvation Army were treated to another delicious meal today prepared by Bunnie Clark, Served by Bunnie, Jack and Mike. The menu consisted of Chicken macaroni casserole, and a five way beans salad (a summer time favorite), ice tea and ice cream for dessert. There were a lot of seconds and praises. Thank you all for your participation.

August 15 – Crab Feast at Kurtz Beach

The combined Rotary Clubs fundraiser was a success; we had a wonderful night at Kurtz’s Beach raising money for a good cause! Thank you to all the sponsors, Rotarians, attendees, and Kurtz’s Beach for a fabulous time!

August 28 – Dr. William Duboyce (Disaster Aid USA)

Our guest speaker for tonight was Dr. William Duboyce from MedStar and Vice president of the Disaster Aid USA, a non-profit organization started as a Rotary club project.

DAUSA is a nonprofit club project of the Rotary Club of Bladensburg, MD. DAUSA, the Club works with its international partners in Australia, Ireland, and the UK which forms Disaster Aid International. The project provides disaster relief to victims of natural and man-made catastrophes around the world. An 8 person tent, water filters, blankets, cooking materials, clothing, tools, and many items are maintained in a large box made of heavy duty plastic. These boxes can be deployed around the world in large numbers to bring shelter from the elements and help people live in dignity as they rebuild their communities.

Tidbits

Nigeria reaches crucial polio milestone

By **Ryan Hyland**

It's been three years since health officials last reported a case of polio caused by the wild poliovirus in Nigeria. The milestone, reached on 21 August, means that it's possible for the entire World Health Organization (WHO) African region to be certified wild poliovirus-free next year.

Nigeria's success is the result of several sustained efforts, including domestic and international financing, the commitment of thousands of health workers, and strategies to immunize children who previously couldn't be reached because of a lack of security in the country's northern states.

"Rotary, its Global Polio Eradication Initiative partners, and the Nigerian government have strengthened immunization and disease detection systems," says Michael K. McGovern, chair of Rotary's International PolioPlus Committee. He adds: "We are now reaching more children than ever in some of the hardest-to-reach places in Nigeria."

McGovern says Rotary members in Nigeria play an important role in ridding the country of the disease. "Rotarians have been hard at work raising awareness for polio eradication, advocating with the government, and addressing other basic health needs to complement polio eradication efforts, like providing clean water to vulnerable communities."

Nigeria is the last country in Africa where polio is endemic. Once Africa is certified as free of the wild poliovirus, five of the WHO's six regions will be free of wild polio. Polio remains endemic in Afghanistan and Pakistan, which means transmission of the virus has never been stopped.

Dr. Tunji Funsho, chair of Rotary's Nigeria National PolioPlus Committee, acknowledges the milestone but cautions Rotary members about celebrating too

soon. He cites the challenge of making certain that routine immunizations reach every child in Nigeria.

“It’s paramount that we ensure all doors are locked to the re-entry of the wild poliovirus into our country,” says Funsho.

Funsho says to achieve this, Rotary needs to maintain strong advocacy efforts, continue to increase awareness of immunization campaigns, and ensure members raise necessary funds. Rotary has contributed \$268 million to fight polio in Nigeria. “As the first organization to dream of a polio-free world, Rotary is committed to fulfilling our promise,” says McGovern. “Our progress in Nigeria is a big step toward that goal, but we need to maintain momentum so that Pakistan and Afghanistan see the same level of progress.”

Join Rotary on [World Polio Day](#), 24 October, to celebrate our progress. Help us reach our goal of a polio-free world by [donating](#) today.

Family Fun Day

Lake Shore - Severna Park Rotary

Hosted by
